Email 2: Internship Inquiry for Deloitte

Subject: Inquiry: Summer Internship Opportunities – Vanshaj Saxena – 25BAI11239

Dear Internship Coordinator,

I hope this email finds you well.

My name is **Vanshaj Saxena**, and I am a first-year student pursuing a B.Tech in Computer Science Engineering with a specialization in **Artificial Intelligence and Machine Learning** (Registration No: 25BAI11239). I have been following **Deloitte's** leadership in digital transformation and AI-driven consulting, and I am highly motivated by the firm's commitment to innovation and excellence.

I am writing to express my strong interest in a summer internship opportunity within your technical or data analytics teams. Currently, I am building a solid foundation in **Python**, **AI search algorithms**, and **data visualization**. I am eager to apply these skills in a professional environment and contribute to the high standards of service Deloitte provides to its clients.

I have attached my resume and linked my GitHub profile below for your review. I would appreciate the opportunity to discuss how my academic background and passion for AIML could benefit your team this summer.

Thank you for your time and consideration.

Sincerely,

Vanshaj Saxena

BTECH CSE AIML
